APPLICATION FOR MEMBERSHIP

Joining the Ontario Chapter of The Coca-Cola Collectors Club offers numerous benefits for enthusiasts of Coca-Cola memorabilia and their families too:

1. **Community Engagement:** Being part of a local chapter provides opportunities to connect with other Coca-Cola collectors in Ontario who share similar interests. This can lead to friendships, networking, and the exchange of knowledge and experiences.
2. **Access to Resources:** Members have access to quarterly newsletters to keep members up to date with events. These newsletters also provide stories related to Coca-Cola collectibles, plus information on rare items, pricing, and tips for collecting. This can be invaluable for both novice and experienced collectors looking to expand their collections.
3. **Events and Activities:** The chapter organizes events, such as quarterly club meetings including a summer pool party and Christmas party where members can buy, sell, and trade Coca-Cola items plus an annual club sale. These events offer a chance to add new pieces to collections, learn more about the history of Coca-Cola, and socialize with fellow enthusiasts.
4. **Support and Expertise:** Joining a local chapter provides access to a supportive community of fellow collectors who can offer advice, assistance, and expertise on various aspects of collecting, including authentication, restoration, and preservation.
